

April 25, 2025

Dear friends and esteemed members of Interski,

We would like to extend our heartfelt gratitude to those that were able to attend the 2025 Interski General Assembly, April 6-8, 2025 in Vail, CO. Your presence and active participation were instrumental to the success of our gathering, and it was wonderful to see such a diverse and enthusiastic representation from all corners of the globe. For those of you that were unable to attend, we missed you but hope you can find the information below to be helpful, as you prepare for the Interski Congress in 2027.

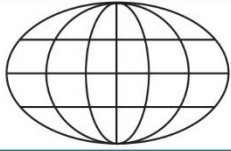

We would also like to express our sincere thanks to our hosts. Their dedication and hard work ensured that the event was not only well-organized but filled with innovative ideas aimed at strengthening our bonds. We had fun together on the mountain, held three General Assemblies, and we shared meals in people's homes and had a tremendously fun international pizza competition. The spirit of friendship and mutual respect that permeated the assembly was a testament to the meticulous planning and unwavering commitment of our hosts.

We encourage each of you to share your experiences from the assembly on social media. By doing so, you help to extend the reach of our shared community and the camaraderie we built during our time together. Additionally, please feel free to upload any photos and videos that you are willing to allow us to share via our social media channels and for future marketing. These images and videos will serve as a powerful tool in showcasing the vibrancy and unity of our community. Here is a link to the Interski Google Drive where you can easily upload your content: [Vail2025 - Google Drive](#) Please be sure to title your files with the name of your nation, organization and any other details you would like to include.

For those of you who were unable to attend the event, or if you would just like to watch again and share with your members, we have recorded the Interski General Assembly and the presentation about the Interski 2027 theme. You can find the recording of the General Assembly here [Interski General Assembly Vail April 2025 on Vimeo](#)

The video of the Interski2027 theme presentation is found on our Interski YouTube channel here <https://youtu.be/rE0YPREp25w>

INTERSKI VAIL 2027

You should have already received updated lodging and pricing information from the Organizing Committee. Thanks to their efforts, there are now more lodging options and better pricing. Booking opens on May 15, 2025, so please review the information and ask any questions in advance.

Moving forward, if you have not already done so, please share the contact information for the training manager of your national team. PSIA-AASI Director of Education, Dave Schuiling, has created a networking channel and is currently facilitating discussions between the national training managers. This is crucial as it will facilitate collaboration among training managers, which will help coordinate the educational content for the 2027 event and create relationships for future partnerships and sharing. We also plan to incorporate more virtual groups in the future, like ones for the various sports and the association leaders, which will create even more opportunities for connection and dialogue. Please send inquiries to Dave at dschuiling@thesnowpros.org

In closing, let us reiterate our deep appreciation for the trust you have placed in the Interski Presidium and 2027 Organizing Committee. We are committed to working tirelessly on your behalf to grow our community and continuously seek new platforms for connection and sharing. Your support and engagement are vital as we strive to achieve our collective goals. Thank you once again for your participation, your contributions, and your unwavering commitment to the Interski community.

Warm regards,

Eric Sheckleton
President
Interski International

Jeffrey S. Lifgren
President
2027 Organizing Committee
